

# Investing for Success

Under this agreement for 2017

Wavell Heights State School will receive

**\$222,864\***

## This funding will be used to

Increase the number of students achieving National Minimum Standard in NAPLAN to

- 100% for reading and numeracy in year 3 and year 5 or
- Develop targeted support plans for students.

Increase the number of students in the Upper 2 Bands of NAPLAN to

- 50% for Reading and numeracy for year 3 and year 5.

Develop teacher capacity in

- Data literacy through supported analysis and planning for differentiated teaching strategies.

## Our initiatives include

- Employing the Speech Language Pathologist for additional hours for targeted intervention for identified students.
- Increasing the EAL/D teacher for additional time to support EAL/D learners.
- Targeted phonological programs for identified students in Years 1 and 2.
- Employing a Reading Enrichment teacher to provide reading support for identified students across the school through reading enrichment and reading support programs.
- Releasing teachers to participate in collaborative and facilitated data analysis and planning.
- Developing teacher capacity through professional development focused on planning for feedback, guided reading, basic numeracy skills and the use of high-yield teaching strategies to enhance student learning outcomes.

## Our school will improve student outcomes by

- Resourcing additional Speech Language hours (\$16 000)
- Resourcing additional EAL/D hours (\$50 000)
- Resourcing for reading support and enrichment programs, including employment of a Reading Enrichment teacher and additional teacher aide hours (\$90 000)
- Providing teachers with release time for collaborative planning, data meetings and moderation sessions (\$66 864)
